Everything you need to build an incredible and unique model – to the highest standards

This is the ultimate model of HMS *Victory*, with superb, authentic detail and several unique features. Even if you are new to the art of marine modelling, the clear step-by-step instructions will show you how to develop the skills you need to create a replica that does justice to Nelson's flagship.

Incredible level of detail

Just like the original

The large 1:84 scale means that every feature of the real ship can be reproduced.

Accurate historical features

Period touches include signal flags showing the first part of the admiral's message before the Battle of Trafalgar: 'England expects that every man will do his duty.'

Complete sails and rigging

Every rope and spar is accurately represented.

Authentic wood and metal construction

Just like the real ship, the model hull (shown roughly actual-size above) is made by laying hardwood planking over wooden ribs, with metal fittings.

Unique cutaway

Optional visible interior

You can choose to build a complete hull or leave off part of the planking to expose the gun decks.

CUTAWAY MAY DIFFER FROM THAT SHOWN ON FINISHED MODEL

Exclusive figurines

Solid metal figures

Includes lifelike models of Nelson and his deck crew, cast in metal.

Step-by-step instructions

Each piece of your model is superbly detailed and made from the highest quality materials. The clear instructions show how to assemble and finish the parts – every step of the way.

Marine modelling brings together a wide range of skills, including working with wood and metal, plus specialist techniques for sail-making and rigging, painting and finishing. Even if you've never tried this type of project before, you'll be able to put your *Victory* together in easy stages, learning the skills as you go, with a host of expert tips to guide you through assembling each new set of parts. You will also find handy hints and tips, plus a series of video demonstrations on our website (www.model-space.com), where you can learn from other modellers' experiences and share advice.

BUILD LORD NELSON'S
HMS **VICTORY**

Each pack of **Build Lord Nelson's HMS Victory** will supply you with all the parts to model this iconic ship of the line, including her sails, rigging, flags, armament and even crew members. The pack includes a booklet with an in-depth look at the Naval warships of Nelson's era, plus a detailed step-by-step assembly guide showing you how to build your model. Along with the clearly photographed instructions, the booklets will explain all the modelling techniques you'll need to achieve superb results, and include useful hints and tips to help you master the trickier skills involved.

Your model is planked with natural hardwoods, which you can leave unpainted to show the construction (as shown below) or finish with paint to make an exact replica of Nelson's flagship.
