Charismatic **heroes**, dangerous **enemies**, awesome techniques and amazing plot twists create a breathtaking saga.

More than **70 manga** volumes and **600 anime** episodes make up a spectacular ninja epic which revolutionized the genre.

THIS IS NARUTO SHIPPUDEN

After two years training with Master Jiraiya, Naruto returns to his home village of Konoha. Much has changed, but the threat posed by the Akatsuki criminal organization is still very real. Naruto has trained to stand up to them, and also to find his friend Sasuke and bring him back to the village.

Naruto, with his fellow ninjas Sakura and Sai, form Team 7, led by Master Kakashi, and carry out many dangerous missions for the village. Tensions in the Five Great Ninja Nations grow as Akatsuki's power increases. The young and unpredictable Naruto finds himself immersed in battles that he can only survive by using his best techniques and relying on the support of his friends and allies.

Can Naruto stop the countdown to the Fourth Great Ninja War?

NARUTO SHIPPUDEN

Figurine Collection

FANHOME

These are your fantastic gifts!

Take advantage of this unique offer and get these exclusive figures of Naruto in different transformations. Get Naruto in his Kurama, Kyūbi, Sennin and Rikudō Sennin modes! Harness the power of the ninja!

Naruto (Kurama Mode)

Kurama mode is the full version of the Nine-Tails mode, with which Naruto is not only able to use his bijū's chakra at will, but can also completely transform into the Nine-Tailed Fox to use all of the beast's power.

Naruto (Kyūbi Mode)

After defeating the Nine-Tailed Fox, Naruto stores the Kyūbi's chakra within himself, and is able to utilize that energy at any time. This amazing power surrounds his entire body, like an armour of light, enhancing his resistance, strength and speed.

Naruto (Sennin Mode)

In Sennin mode, Naruto combines the energy of the elements with his own chakra to create the Senjutsu chakra. The cells of his body are filled with power, increasing his speed, reflexes, strength and physical stamina.

Naruto (Rikudō Sennin Mode)

Naruto's ultimate transformation: Rikudō Sennin Mode increases his physical abilities beyond all other modes, with the added power of the truth-seeking spheres, each of which has the power to destroy a forest!

In the event that any of these gifts are unavailable or there are circumstances beyond the control of the publisher, the gifts will be replaced by another item of equal or higher value.

Inside each magazine

THE CHARACTERS

Discover everything you need to know about the characters of Naruto Shippuden! Extensive biographies outline each character's personality and history, and their relationships with the other ninjas - allies and rivals - who have shaped their destiny.

Naruto Shippuden takes place in the incredible and thrilling world of the ninjas - warriors trained in the arts of espionage and war, able to control mystical chakra energy and execute amazing superhuman techniques. Get to know the characters in this epic story, become an expert in ninja techniques and collect the heroes and villains from the Five Great Ninja Nations in this superb original collection.

EPISODE GUIDE

Relive key moments from each character's adventures as we examine specially selected episodes from the Naruto Shippuden series. Look back at the most breathtaking battles and magical encounters, the last-minute escapes and, of course, the emotional scenes that are at the heart of the story.

NARUTO'S WORLD

The Five Great Ninja Nations are the Country of Earth, the Country of Lightning, the Country of Water, the Country of Fire and the Country of Wind. Each of these has a hidden village, whose inhabitants are ninjas and who are concerned with protecting world peace. Discover the secrets of Naruto's world in this section.

THE TECHNIQUES

Get to know the incredible chakra techniques used in the series! The jutsu are the mystical arts using their chakra or life energy. Some clans also have bloodline techniques that are passed down as Sasuke's Sharingan or Neji's Byakugan.
